Sir:

PETITION FOR REVIVAL OF UNINTENTIONALLY ABANDONED APPLICATION UNDER 37 C.F.R. §1.137(b)

Applicants respectfully petition for revival of the above-captioned international application. Pursuant to 35 USC 363, "[a]n international application designating the United States shall have the effect, from its international filing date under article 11 of the treaty, of a national application for patent regularly filed in the Patent and Trademark Office except as otherwise provided in section 102(e) of this title." The above-captioned international application designated the United States, was published in English as WO03/078392, and was filed on March 10 2003. Accordingly, per 35 USC 363, the above-captioned application has the effect of a "national application for patent regularly filed." Due to an inadvertent failure to docket the 30-month date from the priority date of March 15, 2002, Applicants neglected to either enter national phase in the U.S. or to file a continuation application in a timely fashion before the 30-month deadline expiration. The date of abandonment is the day after the expiration date of the 30-month period, that is, September 15, 2004.

Applicants hereby petition for revival of this application. A submission under 35 USC 371 to enter National Phase of this application is filed concurrently herewith.

Pursuant to 37 CRF 1.137(b), applicants also state the following:

- a) the entire delay in either entering national phase in the U.S. or filing a continuation application from the due date of September 15, 2004 until the filing of a grantable petition under 37 CFR § 1.137(b) was <u>unintentional</u>;
- b) since this utility/plant application was filed on March 10, 2003, no terminal disclaimer is required; and
- c) the petition fee is the fee for other than a small entity under 37 CFR § 1.17(m). The Commissioner is hereby authorized to charge this fee to Deposit Account No. 16-1445.

The Commissioner is also hereby authorized to charge any fees required under 37 C.F.R. §§1.16 and 1.17 or to credit any overpayment to Deposit Account No. 16-1445. Two copies of this paper are enclosed.
